

Restore it.  
Rebuild it.  
Get it right.

## Expertise matters. Values do too.

Mammoth is the Delaware Valley's leading expert in the mitigation and restoration of water, fire and smoke damage. We are also a full service structural repair and construction management company with 30 years of experience with residential and commercial projects.

Mammoth has the experience and resources to handle just about any restoration or construction job. But it takes more than that to get things done right. When you work with Mammoth, you can expect a team that is:

- **Responsive** - Emergency services in less than 2 hours.
- **Caring and Compassionate** - We treat you like we'd treat our own families.
- **Honest and Professional** - From our perspective, it's simply how business is done.
- **Top Quality** - Great work at a fair price 100% of the time. No complaints. No excuses.
- **Great at Communicating** - It's our hallmark. You will always be in the loop.
- **Expert at What We Do** - Our qualifications and training are unsurpassed.

Whether it's responding to an emergency or rebuilding your home, our team understands what you are going through. We offer years of first-hand knowledge of the claims process and combine it with, what we call, a "service heart". It's these unique qualities that have allowed us to bring thousands of claims to a successful conclusion.

“ It is important to know what a valuable asset these people are to your company. They were friendly, fast, thorough, and very respectful of our property and wishes. It was more like having family around than workers.
