Fire & Smoke Damage

You've just been through one of the scariest experiences of your life. Now it's time to rebuild. You need an expert team who knows exactly what to do and how to do it.

The firemen have left and now it's time to get your life back in order. It's a complicated process that requires specific expertise in the cleaning and restoration of fire and smoke damaged properties. Mammoth brings that expertise across the board.

We've helped thousands of home and business owners, just like you, to recover from the damage caused by fire and smoke.

We provide all of the services

you need under one roof

– emergency mitigation, cleaning, deodorization and repairs. Most importantly, we work closely with you and your insurance company to make sure everything is done right.

“ *We were taken care of - like angels swooped in when we were most in need. I don't know how we would be getting through this without you. Amazing people in this amazing company.*
